1.2.1

Number of Add on /Certificate/Value added programs offered and online MOOC programs like SWAYAM, NPTEL etc. where the students of the institution have benefitted during the last five years)

IEMS College offers a variety of certification courses aimed at enhancing student skills and preparing them for the corporate world. These courses are conducted through various Memorandums of Understanding (MoUs) and are designed to equip students with relevant competencies for better placement opportunities.

Some of the Certification Courses Offered are mentioned as below.:

Advanced Excel: This course focuses on advanced features of Excel, enhancing data analysis and management skills.

Digital Marketing: Students learn about online marketing strategies, social media management, and digital analytics to boost their marketing skills in the digital landscape.

GST (Goods and Services Tax): This course provides insights into the GST framework, compliance, and its implications for businesses.

NPTEL (National Programme on Technology Enhanced Learning): This initiative offers online courses and certification in various engineering and science disciplines, promoting self-paced learning.

HR Payroll: This course covers the fundamentals of payroll management, including salary calculations, compliance with labor laws, and HR practices.

These certification programs are integral to IEMS College's mission of fostering skill development and preparing students for successful careers in their chosen fields.
