

3.4.1 Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the last five years.

The Institute of Excellence in Management Science (IEMS) has conducted impactful social activities, including a Voting Awareness Campaign, healthcare initiatives like a Free Eye Check-up Camp, and environmental events like World Environmental Day. IEMS also contributed to disaster relief, donated oxygen concentrators, and organized a Blood Donation Camp, fostering social responsibility among students.
