

# Union Budget 2024-25 Decoded

## Insights on MSME Sector, Investments, and Tax Benefits

In a well-attended event held at the NKSSIA-KSFC Hall, Gokul Road, Hubballi, the North Karnataka Small Scale Industries Association (NKSSIA), in collaboration with IEMS B-School and Hubballi-Dharwad Bunts Sangha, presented a detailed analysis of the Union Budget 2024-25. The seminar, titled "Decoding of Union Budget 2024: An Analysis on MSME Sector, Investments, and Tax Benefits," shed light on the government's strategic vision and its implications for the Micro, Small, and Medium Enterprises (MSME) sector.

Chief Guest and Presiding Officials:

Shri Nandakumar H.N., CEO, M/s. Vibhava Industries Pvt. Ltd.

• Shri Girish Nalawadi, President - NKSSIA

The session featured insightful contributions from notable experts, including:

• Dr. N.A. Charantimath, CHARTERED ACCOUNTANT

• Shri S.B. Shetty, Chartered Accountant

Shri S.T. Bagalkoti, Registrar, Haveri University

• Shri Vijayanand Shetty, President, HD city Bunts Sangha

Dr. N.A. Charantimath highlighted the Union Budget 2024-25's ambitious roadmap aimed at transforming India into a developed country by 2030. Emphasizing the critical role of the MSME sector, he described it as the "Engine of Growth," noting its significant potential for employment generation, export contributions, and GDP enhancement.

Dr. Charantimath urged all MSME units to seize the golden opportunity presented by the budget to drive growth and contribute meaningfully to the national economy.

The event underscored the government's commitment to nurturing small-scale industries and creating a conducive environment for their growth.

Welcome to the Latest Edition of Our  
College Newsletter

Dear Readers,

It is with great excitement that we bring you the latest edition of our college newsletter, a quarterly publication dedicated to showcasing the dynamic activities and achievements of our academic community. This quarter has been nothing short of extraordinary, marked by innovative student initiatives, impactful faculty endeavors, and a commitment to holistic growth.

## Celebrating Student Achievements

Events at our college were in this quarter were excellent, where students presented innovative business ideas to a panel of industry experts. Their creativity and problem-solving skills left everyone inspired. Another highlight was the Cultural Confluence Festival, a vibrant celebration of our diverse community that brought together music, dance, and art from across the globe.

## Faculty Development and Academic Excellence

Our faculty members continue to lead the way in academic excellence. This quarter, several professors attended international conferences and presented groundbreaking research on topics ranging from sustainable business practices to advancements in digital marketing. Additionally, professional development workshops on experiential learning methodologies equipped our faculty with cutting-edge tools to enhance classroom experiences.

## Building a Stronger Community

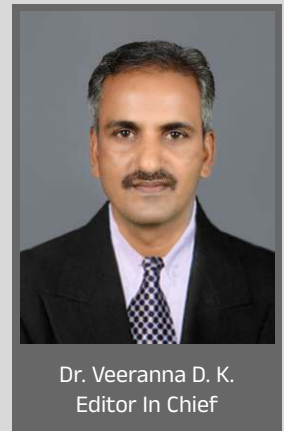

This newsletter also shines a spotlight on our collaborative initiatives and community outreach programs. From tree-planting drives and blood donation camps to workshops on financial literacy for underprivileged communities, our students and faculty have worked tirelessly to make a positive impact beyond campus boundaries.

## A Platform for Shared Success

Through this newsletter, we aim to celebrate our milestones and inspire our readers by sharing stories of determination, innovation, and collaboration. Thank you for being an integral part of our journey. Together, we continue to build a vibrant, inclusive, and forward-thinking academic environment.

Here's to another quarter filled with growth, discovery, and shared accomplishments!

with regards,

Dr. Veeranna D. K.  
Editor In Chief

# Entrepreneurship in Industry 4.0

- Dr. Poornima M Charantimath

Date: 20.08.2024

We are proud to share that our esteemed Professor Emeritus, Dr. Poornima M Charantimath, has been featured in the Deccan Herald's Career Section dtd 20.08.2024 with her insightful article titled "Entrepreneurship in Industry 4.0"

The article highlights the pivotal role of cutting-edge digital technologies in driving creative solutions and new business models in the Industry 4.0 era.

## CAREERS

### Entrepreneurship in Industry 4.0

Latest digital technologies can help create innovative solutions and business models, writes Poornima Charantimath

The emergence of the Fourth Industrial Revolution (Industry 4.0) has significantly changed the entrepreneurship climate. Entrepreneurship involves leveraging the latest digital technologies to create innovative solutions and business models in this era.

India's tech startup ecosystem has matured, attracting more than \$70 billion in cumulative funding between 2019-2023. This growth is now anchored in a strategic shift towards improving business metrics and revenue streams. Here are some of the ways that Industry 4.0 has impacted the entrepreneurship climate:

- **Increased innovation:** Industry 4.0 has created new opportunities for innovation by providing entrepreneurs with access to advanced technologies that can be used to develop new products and services, improve operational efficiency, and increase market competitiveness.
- **Accelerated growth:** The adoption of Industry 4.0 technologies has enabled businesses to scale up faster and more efficiently, accelerating their growth.
- **Enhanced customer experience:** With Industry 4.0, entrepreneurs can collect and analyse vast amounts of data to gain insights into customer behaviour and preferences, allowing them to tailor their products and services to meet their needs.
- **More flexible business models:** Industry 4.0 has enabled entrepreneurs to adopt more flexible business models, such as on-demand manufacturing, that allow them to respond quickly to changing market demands.
- **Enable to be competitive:** Entrepreneurs can now compete globally by leveraging advanced technologies and

renewable energy and carbon capture to smart grids and sustainable agriculture. These solutions address pressing environmental issues and drive the transition towards a more sustainable and resilient future.

- **Cybersecurity for Industry 4.0:** Provide cybersecurity solutions to protect against potential threats to connected devices and systems. Develop encryption technologies and secure communication protocols for Industry 4.0 applications.
- **Wearable technology:** Developing wearable devices such as smartwatches and fitness trackers that use sensors to monitor health metrics such as heart rate and sleep quality.
- **3D printing:** Using 3D printing technology to create customized products on demand, such as dental implants, prosthetics, and aerospace components.
- **Blockchain:** Developing blockchain-based platforms for secure and decentralized transactions, such as cryptocurrency exchanges and supply chain management systems.
- **Augmented and Virtual Reality:** Develop AR and VR technologies for immersive experiences, such as virtual shopping, gaming, and training simulations.
- **Cloud computing:** Offering cloud-based solutions for businesses to manage and store data, such as customer relationship management (CRM) and enterprise resource planning (ERP) systems.
- **IoT (Internet of Things) solutions:**

Develop and implement IoT devices and sensors for industrial applications. Create platforms that enable the collection and analysis of data from connected devices.

- **Augmented Reality (AR) and Virtual Reality (VR):** Develop AR applications for maintenance and training purposes in manufacturing. Create VR simulations for design validation and employee training.
- **Smart manufacturing:** Implement automation, robotics, and data analytics for efficient production.
- **Data Analytics and Big Data:** Drive business intelligence by extracting insights from large datasets, fostering informed decision-making and operational efficiency. Autonomous vehicles: Companies such as Tesla, Waymo, and Uber are developing self-driving cars that use sensors and AI to navigate roads safely.

Industry 4.0 has created both opportunities and challenges for entrepreneurs. Several changes need to be made to accelerate the ecosystem further, such as identifying investors and fostering an integrated approach for innovation, market connections, and support in areas like testing, patent filing, certifications, and training.

Entrepreneurs now need to acquire new skills to fully capitalise on the opportunities provided by Industry 4.0. Those who adapt to the changing entrepreneurship climate and leverage advanced technologies will be well-positioned for success in the Fourth Industrial Revolution.

## Responsible E-Waste Management Practices

Date: 26/07/2024

Workshop Title: Responsible E-Waste Management Practices

Objective: To raise awareness and educate participants on effective e-waste management practices and promote sustainable electronic waste disposal.

Workshop Overview:

The workshop began with an introductory session, where participants were briefed on the importance of e-waste management and the objectives of the workshop. This was followed by a series of presentations and interactive sessions, covering topics such as:

- E-waste generation and its environmental impacts
- Current e-waste management practices and challenges
- Best practices for e-waste collection, transportation, and recycling - Safe handling and disposal of hazardous e-waste materials

# Rotract Club Installation Ceremony

05.08,2024

The Institute of Excellence in Management Science (IEMS) in Hubballi, in collaboration with the Rotary Club of Hubballi, hosted the Rotract Club Installation Ceremony on August 5, 2024. Renowned industrialist and past Rotary Club President, Rtn. M.V. Karamari, inaugurated the event and praised the IEMS-Rotract club's activities over the past year.

The ceremony emphasized the importance of serving society without expectations, following the principle of Sarvejana Sukhino Bhavantu.' Rtn.Vishal Nadagouda, Director-Youth Services has coordinated the installation ceremony, the new office bearers are elected President-The outgoing President, Mr. Danappa Jangalagi, presented a report highlighting the club's achievements, including tree plantation, voting awareness programs, and health checkup camps.

## ಹುಬ್ಬಳ್ಳಿ ರೋಟ್ರಾಕ್ಟ್ ಕ್ಲಬ್‌ನ ನೂತನ ಪದಾಧಿಕಾರಿಗಳ ಪದಗ್ರಹಣ

ಹುಬ್ಬಳ್ಳಿ ರೋಟರಿ ಮತ್ತು ರೋಟ್ರಾಕ್ಟ್ ಮಾತ್ರ ಸಮಾಜದ ಇಚ್ಛೆಯನ್ನು ಗುರಿಯಾಗಿಸಿಕೊಂಡ ಕ್ಲಬ್‌ಗಳಾಗಿವೆ. "ಸರ್ವೇಜನಾ ಸುಖಿನೋ ಭವಂತು" ಎಂಬ ತತ್ವವು ರೋಟರಿ ಮತ್ತು ರೋಟ್ರಾಕ್ಟ್ ಕ್ಲಬ್‌ನಲ್ಲಿ ಪ್ರತಿದಿನ ಪಾಲಿಸಲಾಗುತ್ತದೆ. ಕ್ಲಬ್‌ನ ವಿವಿಧ ವಿಭಾಗಗಳು ಸಮಾಜದ ಅಗತ್ಯವಿರುವವರನ್ನು ತಲುಪಲು ಕಾರ್ಯಕ್ರಮಗಳನ್ನು ನಡೆಸುತ್ತವೆ ಎಂದು ಕರ್ನಾಟಕ ಕನ್ಸೇರ್ನಿಂಗ್ ಪ್ರಿವೆಂಟ್ ಲಿಮಿಟೆಡ್ ಮುಖ್ಯಸ್ಥ, ಕೆ.ಗೌರಿಕೋಡ್ಕುಮಿ ಮತ್ತು ರೋಟರಿ ಕ್ಲಬ್ ಹುಬ್ಬಳ್ಳಿಯ ಮಾಜಿ ಅಧ್ಯಕ್ಷ ಎಮ್.ವಿ.ಕರಮರಿ ಹೇಳಿದರು.

ಇನ್ ಸ್ಟಿಟ್ಯೂಟ್ ಆಫ್ ಎಕ್ಸಲೆನ್ಸ್ ಇನ್ ಮ್ಯಾನೇಜ್‌ಮೆಂಟ್ ಸೈನ್ಸ್ ಮತ್ತು ರೋಟರಿ ಕ್ಲಬ್ ಹುಬ್ಬಳ್ಳಿಯ ಸಹಯೋಗದೊಂದಿಗೆ ರೋಟ್ರಾಕ್ಟ್ ಕ್ಲಬ್ ಗೌರಿಯಾ ಮರಿಯದಾಸ್, ಕಾರ್ಯದರ್ಶಿ ಕೆ.ಅವಿನಾಶ್, ಜಂಟಿ ಕಾರ್ಯದರ್ಶಿ ರಾಜೇಶ್ವರಿ ಪಾಟೀಲ್, ಖಜಾಂಚಿ ಸೌಮ್ಯ ಉಂಡಳ್ಳಿ, ಡೈರೆಕ್ಟರ್ ಕ್ಲಬ್ ಸರ್ವಿಸ್ ಉಲ್ಲಾಸ್ ಡೋಣಿ, ನಿರ್ದೇಶಕ ವ್ಯಕ್ತಿಪರ ಸೇವೆಗಳು-ಸಚಿನ್ ರಾಜ್, ನಿರ್ದೇಶಕರು ಸಮುದಾಯ ಸೇವೆ- ಭಾಗ್ಯ ಹಾದಿಮನಿ, ನಿರ್ದೇಶಕರು ಯುವಸೇವಾ-ಶ್ರೀ ನೂತನ್ ಬಿ.ಆರ್. ಅವರನ್ನು ಆಯ್ಕೆ ಮಾಡಲಾಯಿತು.

# National Assessment and Accreditation Council (NAAC) Accreditation

"A historic milestone for the Institute of Excellence in Management Science (IEMS) as the institution takes a significant step forward by applying for National Assessment and Accreditation Council (NAAC) accreditation. On 17th September 2024, IEMS successfully submitted the Self Study Report (SSR) for its first cycle of NAAC, demonstrating its commitment to achieving new heights of excellence."
